

Alfa Romeo Summer Tour  
August 13-15

UPDATE: Ashland's Shakespeare festival is re-starting in July. Hence, lodging will become an issue! If you think you would like to go, make your reservations now.

I know we are ALL past ready to get in our Alfa's and DRIVE, DRIVE, DRIVE! Good times coming!

This will be a 3-day tour focusing on fun, twisty back roads in Central Oregon that most of us are familiar with. Departing from Silverton, we will head over Mt. Hood through Maupin, Antelope, Spray, Kimberly and down to John Day. Recommended lodging is the Best Western (that is where I have made my reservation), Dreamer's Lodge or America's Best Value Inn. I have NOT made room blocks at any of the hotels, so it is recommended you reserve a room ASAP with the ability to cancel at a later date (there are not a lot of options in John Day, and I suspect we will be competing with other car clubs). Dinner will be at 1188 Brewing Company. Paula and I ate there last summer when we did our solo Covid test drive last summer and the food was good and so was the beer!

Painted Hills

Hwy 66! Yippee!

Day two will have us heading down 395 to Lakeview for lunch, then using 140 and 66 (Greenspring's Hwy) to Ashland. Recommended lodging is Holiday Inn Express (this is where I am staying), Best Western or Ashland Hills.

While you can blast up I-5 on your own Sunday, if you wish to join us, we will be taking a back-road's route to Canyonville where the tour will officially end and from which we then join I-5.

As always, let me know if you are coming.
