SALEM-YACHATS

SATURDAY-SUNDAY, OCTOBER 5-6

Tribute to Good Food, Better Views and Fun Roads

Last year's tour featured two great restaurants on the way down to Yachats. After hearing universal raves about the food (and no complaints about the beach), we are returning to Yachats via some different roads.

Pelican Brewing in Lincoln City will be our lunch destination. I highly recommend the tri-tip sandwich along with a cup of soup, but last year's group tried a variety of entrees and everyone was very happy. The beer is really good too!

Our dinner in Yachats will again be at ONA. We enjoyed a happy hour with fabulous appetizers (thanks to the AROO board), and then a dinner that was truly outstanding.

I have reserved the area next to the bar for our group. The space is limited to 22 folks. However, those that sign-up late can still join us for drinks and appetizers... you will just need to make your own dinner reservation in the main room. I will maintain a list and let you know if you will need your own reservations.

Lodging recommendations include the Overleaf Motel and the Fireside. Both are oceanfront, with the Overleaf being more upscale. Both are offering online reservations for Oct. 5. However, as any Native Oregonian knows, weekends on the coast in early fall are extremely popular and oceanfront lodging becomes very scarce. That is a hint!

For those that wish to tag along, I will have a suggested route back to civilization on Sunday. Leaving around 10, we will enjoy some county back roads to Albany and have lunch at Long Timber Brewing where the tour will end.

Let me know if you are joining us. I will need alert the Pelican, ONA and Long Timber how many to expect.

Once you make your reservations, be sure to send me an RSVP e-mail letting me know you are coming. I will need to work on lunch and dinner accommodations.

Contact Tom McGirr at tomsredalfa@gmail.com or 503-362-8597 for details.
